“ All our love to you. All my words are locked up in my heart. The joy and laughter Bob has shared, we are all so privileged to have been privy to. It was always so much fun to share our lives... what a wonderful man, the sadness felt with his passing is replaced with the honor to have known Bob all these years. He is more than missed, he took a piece of me with him. Blessings XXOO

“ Roxanne and family, our most sincere condolences and hugs to you all on Bob's passing . We had just talked to him and were shocked when we heard this horrible news today. Words can't express our sorrow at his loss, he was such a wonderful, caring person who took such good care of all of us. Bob loved all of you so very much and always shared wonderful tales of family and the special trips he took with you. Please let us know how we can help. All of our love, Dale Berman and Raoul Garfinkel
