“ Fran, Very sorry to see that my cousin Bob passed, Although we lost touch many years ago I always had a special place in my heart for my Older Cousin. And to think we lived only 3 hours from each other. I wish you well. Kathy Lucas Merhar

“ Francine, my deepest condolences to you. I always liked Bobby. Bernice and I so much enjoyed visiting you and Bob. I just passed through Croton on Saturday coming down Route 9 from the West Point game and I looked to the east and saw your condo development up on the hillside. Great shared memories from way back then... Hope to see you when you come up to NY. Sincerely, Steven Giamundo

“ Francine, I know how much Bobby meant to you and how much your heart is broken by his death. He will always have a special place in our hearts and we all will miss him. I remember last year (in June) when I was visiting. You me Lauren and Bob just hung out on the couch watching TV. I always had fun watching TV with both of you but Bobby was always in control of the TV remote. We all had fun going out to dinner and just hanging out. Fran please know that we all loved Bobby and we all miss him. Love, Bernice, Lauren and Steven

“ Francine, I know your heart is empty now but the time and special love you and Bobby shared is there for you to always treasure. I remember as a young teenager you coming home with Bobby to meet the family and you were so clearly smitten with this older man. Remember how Bobby sat down to Mom's dinner's not realizing how many courses would be coming and asked for 2nds on her lasagna not expecting the endless meal. I think he always had a special place for mom after that first dinner. Then there is his sleepwalking that we will never forget.. I appreciate Bobby how happy you made my sister, you will be missed. Love your sister-in-law Diane
