“ *To Bob's family, I pray for God's peace, serenity, and support during this time of grieving and loss. We will always cherish and hold dear the memories we have with our interactions with Bob and his family. I had the distinct pleasure of beginning my career at PCSO with Bob. There I also had the pleasure of working with his sister Katie, his son Eric, and nephew Roy. Bob and I experienced both the good and the tough times together. He was always a friend and mentor to me. He always treated me fairly. I will miss him; but never forget him. May you assume your rightful place at the table of our Lord and Saviour Jesus Christ!*
