Robert William Lavery

He was a Great Father, Teacher, Mentor and Friend. He is finally at Peace and Painless. I watched him go from working everyday be it mowing grass, pulling weeds and whatever else needed done in the park we live in and do it at home too. The last year has been the hardest for me to watch him go from doing all the stuff I mentioned, to being in immense pain and memory loss. I am going to miss him everyday, even though we didn't see eye to eye on a lot of things he still loved me and I him. He did live a good and long life.

I Love and Miss you Dad. You were the Greatest Father a Child would ever want and have.

R.I.P. Dad. Love you always
