“ *Uncle Bob lived and long and full life together with Aunt Gladdy...and they were loved and cherished by all who knew them. They were both charter members of Tom Brokaw's 'Greatest Generation'. Bob served in the US Air Force as an airplane mechanic in both WWII and in Korea. We will all remember stories told by Bob, as well as Gladdy's refusal to talk about her service because it involved top secret work for the military. All members of Bob's extended family...please share your thoughts here! Godspeed!*
