“ Although it's been 16 years since I last saw Bob it seems like only yesterday that we were sharing close company talking and laughing through life. Years and years and years of great times together. Too many to to recall...Part genius, part madman, a total gentleman and 100 % friend.I will miss him like a brother lost...Heaven gets another Crew member...See ya down the road Bob... I love ya...

“ Go and tell Lord Grenville that the tide is on the turn...It's time to haul the anchor up and leave the land astern...We'll be gone before the dawn returnsLike voices on the wind...Like voices on the wind...Like voices on the wind...
