Obituary of Robert Parker Robert Wallace Parker was born on September 12, 1923 in the Panama Canal Zone and after retiring became a resident of Ocala Florida. He worked at Scotty's Hardware Store in Ocala , where he was the friendly paint assistant until it closed. The angels took him into their arms on Saturday, December 14, 2013. My father Robert Parker was the kindest, gentle soul and anyone who knew him loved him. He was a caring, selfless, kind, patient and possessed a wonderful smile. He will be missed by many and remembered for his kindness, and unwavering loyalty, love for his family and friends. He loved Panama and would love to reminisce about his life there. We were blessed to have him as a father. Robert was a resident of Ocala, Florida. He is survived by his wife Elba, daughters Jackie and Kathy and his son Bobby.
