

## Robert Charles Schwamm

October 26, 1941 - October 14, 2021

"Robert Schwamm, 79, of Ocala, FL, passed peacefully in his sleep on October 14, 2021.

Bob was born October 26, 1941 in Manhattan, and as soon as he was able, joined the Air Force. He loved his mother very much, and it was his honor to work on F-105s, the same planes she worked on during WWII. Once his duty was fulfilled, Bob came home to New York and joined the Rockville Centre Fire Department, where he proudly served his community for over 14 years, including two years as Captain. It was during this service that he met his wife Madeleine, and they spent the next 54 years together, raising two children, Christine and Catherine.

Bob was a great engineer, and that translated all the way from his career as a network engineer at IBM to his tinkering around with things around the house. He loved his family, his pets, and his country. He had a great sarcastic sense of humor, and even though 79 sounds like a long time, he was gone too soon. He is survived by his wife and daughters.

It is worth noting that he fought multiple terminal illnesses the only way he knew how, tooth and nail, guns blazing, in a valiant effort to make it to his 80th birthday and 55th wedding anniversary. He got really close. You done good, Dad."
