

Robert Rodney Sietsma

March 28, 1955 - January 19, 2026

Robert lived a life rooted in service, dedication, and care for others. He spent his entire career in hospitality and public service, beginning with his service in the United States Air Force, where he learned the values of discipline and commitment that guided him throughout his life. He later continued his calling to help others as an EMT for Lake County FL, touching countless lives with his calm presence and willingness to step in when help was needed most. After many years of devoted service, he retired in Citra FL.

Above all else, Robert was a devoted husband, father, and grandfather. He is survived by his loving wife, Becky Sietsma; his three children, Christie, Ryan, and Wesley; and his seven cherished grandchildren, who brought him immense pride and joy. Bob had one sister Susan and a niece Heather of Texas. Family meant everything to Robert, and he will be remembered for his steady support, quiet strength, and the love he gave so freely to those around him.

Robert's legacy lives on through the many lives he served, the family he loved, and the memories that will be treasured forever.

“ *Oh Daddy!!!! Everyone knows you were my main man!!! You gave your life for us, you were every bit appreciated! We all love you. You were my mechanic, my nurse, my counselor, my teacher, and you wore many other hats. I would say who am I going to call when things get rough, but you raised some amazing men, so my brothers got me!!! I'll watch over Meme for you, just guide my steps along the way. Thank you for everything! Every time I rig something up, I'll think about you. I know you're on a shrimp boat, with all your animals, drinking an ice cold beer. You did your job Dad, relax. Love you always, daddy's girl 💙*
