“ Dear Bobby Gwinn, I am sorry that the paths of our lives separated throughout the years, but I will always carry with me the fond memories of the times you took Linnie and I fishing and camping. Those times were truly highlights in my youth, and I will always love you for them. I know that you're in Heaven reunited with your loved ones.

“ Although I only knew you through the marriage of your grandson to my daughter but was blessed that we had that sort of bond. I love hearing of all the hunting stories and know those memories will be cherished forever for all included. Rest easy and our thoughts and prayers are with the family.

*I can't believe it's already been six years since you left us to be in paradise with our Heavenly Father. I think about you and miss you. However I'm grateful for all the scripture's and your teaching me the right ways of life; to be humble and pray without ceasing and to keep hope in this cruel world that we live in. Through our salvation and love for Jesus, our prayers will save those in need of us. Every soul counts as God loves his children each and everyone.
Love you Dad !
