“ I knew you where the cutest thing I ever saw but I was an older woman. I could just wait every summer for you to come up an we would go crabbing. Of course the kid sisters had to tag along and of course they were more your age. I guess I secretly hoped that there was a mistake on my birth certificate. Growing up crabbing on Jupiter Pt. in the summer was so much more fun with you because we could rent an old leaky outboard at Spicer's Marina and it had an equally old outboard which you could always get going before the damn thing fell off! We would get our bait at Chapman's fish market then head for the Race. I guess you sort of had to live it but wasn't it grand crabbing on the "Poles"? Our little pails were so full we had to sell them to old man Spicer and buy our soda pop from him to. Our lives have been so full Bobby because Barbara is the bomb as Bud was mine and we would follow you two again if we had half a chance anywhere. I will get some racks from the fish market this summer but it will never be as much fun as I remember it from years gone by. Your loving sister, Taffy

“ Bob & Barbara and I had so many wonderful times over many years.... Punta Gorda, Englewood, Vero Beach, Ocala.... campaigning, rent collecting, working on the farm, and of course partying! Bob will be gretly missed. We have lost a great friend. Please keep in touch Barbara. You and the family are in our thoughts and prayers.

“ Bob and I were fellow members of the Crystal River Sail and Power Squadron I found him to be a man of integrity. Bob won the Squadron Boating Poker Run the past two years. Definitely won't seem the same without him. Deepest sympathy to his loving wife, Barbara.
