“ *Uncle Bob will be missed by many. He was a unique person with many skills and talents and a bright and inquisitive mind, much like the rest of his siblings. I felt like he knew me well even though I didn't see him that often - he was observant and understood people, and was easy to talk to. He was proud of all his kids and liked to talk about them. I will be thinking of Uncle Bob, Aunt Kathy, and the rest of the family this weekend and ongoing - I wish I could be at the service tomorrow. - Becky*
