“ *Dear Cindy and Family, My many prayers and thoughts for you. I really didn't know Vann was so sick or I would have came to see him often. Vann and I were so close growing up together in Canal Point. He would either spend the night with me or I would stay with him. We would start early in the morning and be gone all day getting in to something. I could tell you many stories, like Susie would leave and go to work and she would get him up to get ready for school, he would show up in class with his PJ's on! He was a good friend to everyone. Always there when you needed something. We lost touch for many years until I got on this Facebook and bingo there he was! We would swap stories of our child hood memories, playing cowboys and Indians, Army and many other childhood games. I know you have an empty heart now, and so do I. I shall always remember Vann as my best friend ever and will still have all the memories to keep until we meet again and play those wonderful childhood games again..God bless. RIP my dear friend!*

“ Dear Wilson family, I am very sorry for your loss. Revelation 21:4 gives us much to look forward to in the future. It says "He will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore the former things have passed away." What a thrilling time that will be!
