“ So thankful for this woman who raised my beautiful and amazing sister. Roberta had a wonderful heart and always thought of others before herself, especially when it came to my sister. I have peace that she is in heaven and know without a shadow of a doubt that we will meet again someday.

“A beautiful soul is never forgotten" I read that somewhere someday before and never thought about it much until today. Now it is all I can think of. Roberta was a amazing woman. She had a wild hippie heart and she radiated with love. She was Grandma. Even to me. I knew if I called her she would be there. She helped raise and shape my best friend into the crazy haired barefooted flower child she is today. She has touched so many lives including mine. "A beautiful soul is never forgotten " is so true. She was a beautiful soul. She will never be forgotten. She may not be here physically anymore. But she will always be with us. In our hearts. In our dreams. In the butterfly that lands on our car at a red light. She will always be with us and around us. We will miss you dearly. Until we see you again. We love you Grandma.
