“ Robbie and I were neighbors in Michigan for over 25 years. That proximity led to a friendship that even extended to Florida when she relocated there. The memories of some great times shared with her, her family and mine are too numerous to mention. She had an infectious love of life that she shared with everyone. She had a deep and abiding love for her family along with a loyalty that would be hard to duplicate. My dear dear friend may you Rest In Peace and know how much you will be missed.
