

## Robin Elizabeth Bush

March 18, 1963 - October 31, 2024

Robin Elizabeth Bush, a beautiful, kind, and considerate soul, passed away October 31, 2024, at age 61 in Ocala, Florida.

Throughout her life, Robin was deeply devoted to the animals she loved and cared for, rescuing many, both large and small. Her most beloved companions were her horses—Tasha, Sassy, and Cricket—and her many cherished cats. Her passion for horses defined her life, and over the span of more than 50 years, she became an accomplished equestrian, known for her vast knowledge and admirable skill.

Robin and her husband were also active members of the car show community in the Marion County area, proudly owning an award-winning Mustang convertible that was a testament to their shared love for classic cars.

A bright light in the lives of all who knew her, Robin was always cheerful and full of good spirits, sharing her warmth and positivity with everyone she encountered. Her presence was a gift, and her loss leaves a profound hole in the hearts of her family and friends. Robin will be deeply missed and is irreplaceable. Our lives will never be the same without her.

Robin leaves behind her beloved husband of 30 years, Gary Bush; loving sister Marie Callow of Ocala; brothers Ronald (Maureen) Andreozzi of MA; Bryan (Sherlyn) Andreozzi of AZ; and nephew, Kevin Callow of Ocala. She is predeceased by her parents, Frieda and Angelo Andreozzi of RI and her nephew, Christopher Andreozzi of NC.

A celebration of Robin's life open to all friends and family will be held at

Roberts of Ocala West Chapel, 6241 SW State Rd 200, Ocala on December 5th from 4:00pm to 6:00pm. Interment will be private.

In lieu of flowers, please make memorial donations in Robin's name to Horses N Heroes of Marion County, 12680 North US Highway 441 Citra, FL 32113.

This is where Robin's dear horse, Cricket, will live out a good life, helping young girls, just as Robin would have wished. <https://www.horsesnheroes.org/>

“ I first met Robin at Always a Breeze Boarding stable around 2015 where we both kept our horses. I then followed her and her horse "Cricket" some years later to Silverstride Equestrian Center. Horses, Horses, Horses. How we loved to ride together. That was our shared passion and defined our friendship. With every future ride I have on my horse "Andre," she will be in my heart and mind. Her favorite color was purple, so my dear friend, I light for you a purple candle. God bless you, beautiful Robin. I miss you.

“ Robin & I met in the 70's and were constant companions riding our horses thru the trails of Barrington RI – she acquired her first horse, Sandy from a teacher at our jr. high and her dad built a great little barn & corral for him – what adventures we had, galloping, sleepovers, jumping over everything, and just hanging out. We lost touch when I moved away, but just found one another 8 months ago & she was still her delightful, loving, and gentle self – with a great sense of humor, and love for all animals. She was compassionate, empathetic, and a very hard worker. I am heartbroken that her life ended so soon, but have confidence that we will meet again in Heaven as she is with her Lord. “ I met Robin through my friend at a car show. We would then meet at all different car shows in the Ocala area. Robin, her husband Gary and sister Marie were kind enough to invite us to their Christmas dinner one year when we had no plans. Robin was Sweet, kind, thoughtful, fun and had a great love of animals especially her cats and her horse. She will be missed.

“ Robin will be dearly missed by many! My days at the farm will always remind me of the greeting Robin would bring with a oh well smile, it's gonna be ok sparkle in her eyes and voice! I will miss her" Hey Dave"- Hey Robin" moments forever. Always with a cheerful smile,we would have our chit chat n chuckle moments!!

*Robin is sadly missed! We are broken hearted without her at the farm. Her spirit, love and generosity will never be forgotten. Her devoted love for her little "Crikey" was known by us all... Robin fondly referred to me as Crikey's uncle when walking her into the stall with a treat to follow!!!*

*Gary and Robin pulling into the farm to tend to Crikey was just a brief moment of many we all enjoyed. We loved seeing all of them together !!*

*Robin will always remain in the hearts and minds of those who were fortunate to have known her..*

*Dearly missed, never forgotten!!*

*With a heavy heart,*

“ I met Robin when she came with Cricket to Always A Breeze Stables where I was boarding. She immediately became part of our Sunday trail riding group. When she left to board at StrideStride, it wasn't long before we all followed her, me, MC, and Noelle. We road every weekend sharing our love of all things horses. Soon Robin and I were the only two left and we continued to ride every Sunday. Cricket and Cody became good friends too, going out at night together. We shared fun times, having lunch, going to WEC and just enjoying each others company & common interests. Robin, I will miss you forever, my good friend. You left us too soon.

To Gary, Marie and family, my sincere condolences. My God bless and keep you during this difficult time.

“ Robin, I was supposed to see you today. We were supposed to ride together again, go for lunch, catch a show at WEC. You loved matching up gear with Cricket, and preferably purple, the favorite color we shared. We also shared our love for horses, and all animals. You lend me your jacket for my very first show, and came to my next ones. You let me ride your beloved Cricket. We enjoyed chatting while looking for an iron in a field, or trying to fix something as we'd never just throw something away. You were happy to share your knowledge and I'm grateful for all that and knowing you. I will miss you my dear friend. You've left us too soon.

“ We are deeply saddened by the loss of Robin, a gentle soul who touched our lives with her kindness and compassion. She had an unwavering love for animals and a heart full of warmth for everyone she met. We laughed at her cat stories during golf-cart chats and enjoyed her presence at our home for dinner and drinks. She always had a smile and was willing to help neighbors and friends. Her spirit will live on in the countless ways she made our lives brighter. Rest in peace, dear friend. You will be greatly missed and always remembered.

“ When I moved to Ocala I didn't know much of anyone, but through the Silverstride family I met Robin and her baby girl cricket. Little did I know that in such short time she would become not only a great friend, but part of my family as well. I will always cherish our rides together, the talks about life and ofcourse our horses. I will always be grateful for the equine knowledge she shared with me and how when I was away she would always love on my boy Dante. As friends, we shared many fun moments, rides, our outings, shopping sprees, lunches and just simple talks about life. Her love for life, and her four legged kids is how I will always remember her, that smile, that laugh and that spark of sass that would sneak out.

Gary to you and all your family, please know my heart and deepest condolences go out to all of you. Whatever you may need please know I'm here. My mother also sends her condolences and sends her prayers. Gary, know that robin will always be with you, in your heart and she's watching over you now and always.

My friend Robin, you are greatly missed. Thank you for our friendship & for all the good memories I will hold close to my heart. Rest easy.

“ My heart is shattered over such a tragic loss. Robin was a bright light here at SilverStride. She was always there for me, my family, and all of the animals on the farm. She was family. I always looked forward to our chit chats on the barn porch. Her laugh was infectious and is dearly missed. Robin was kind and warm but was fierce with fire in her eyes and drive in her heart. She was someone you could count on and friend you could always call. On Saturday mornings, I'd peek over at the barn to find Robin and Sharon aboard their faithful mounts, Cricket and Cody, riding together as great barn friends do. Nothing made me happier than to see the two of them doing what they cherished most.

*Her absences has left a forever hole in my heart. I'll never stop peering down the driveway, waiting for her to arrive. To know Robin was to love her.*

*Rest easy, my dear friend. Your presence is missed in insurmountable ways.*

*To Gary and family, there are no words. I am here for you, always. My sincerest condolences. May the many memories bring a smile to your face, tears in your eyes, yet warmth in your hearts.*

*Always,

“Patty Gehring and I got to know Gary and Robin through local car shows, we quickly struck up a friendship and would always kid ourselves about our cars, the four of us often attended shows around Central Florida, where one of us would usually get an award. Our favorite memory of Robin was a car show we attended in Brooksville, Fl. In January 2019, it was windy and probably in the 40's! We all froze that day, and we all got awards in our categories. It was a fun day we all fondly remembered and always laugh about that day.

*Robin was always fun, optimistic and encouraging. We were impressed with her Equine skills and love of her horses and the extra effort she made for all of her cats. The four of us had many dinners together and wonderful times. I'm so blessed to have had Robin as a friend in my life and I'll always remember the "Rustang" Be Gary's guardian angel and look over us Robin, rest well. Patty and I love you and will always be in our hearts.*
