“ My thoughts and prayers go to the West family at this time. I was saddened to hear that Rodney was taken from us however he is in no pain at this time and in a happy place at rest. I am thankful that our paths crossed and we shared life together when I was a very young age many years ago and blessed to have traveled to many states especially his place of resting Plains Montana. Rodney was a good hearted person and he loved to travel and was a hard worker always. I am very happy to know that the one thing he wanted the most was his girls and his heart was fulfilled with that blessing. Rest in peace Rodney you will be missed but never forgotten.

“ Brother Rodney, I will always remember all our fishing trips, corn hole games, horseshoe matches and oh yeah the water volleyball at the RV park. I'll never forget you and will miss you terribly. Thank you for all your advice on construction when we asked. You were a genuine, caring man who loved nature and the beauty in life. You claimed me as your "Sis" and I was proud to call you brother. Thank you for sharing a part of your life with me. We had a blast. I Love You my Brother. Till we meet again. Rest in Peace
