“ I am a person who is proud to say that I was a friend of Ron's. What a sweet guy he was. And quiet , I don't think in the many years we were acquainted that I heard him say more than 30 words. I was one who did bring a smile to his face when my dog Lucy gave birth to her puppies. Ron's wife, Andrea came over and chose his beautiful and perfect puppy, Duke. He was Ron and Andreas perfect companion. Boy, did they spoil him. Sad to say they are both now gone but I'm sure have found each other again. Ron will be missed by many and I will be one of those. God bless you Ron, you were one of the few "Good Guys". Your friends , Delina Dimitroff and Norman Wareham.
