“ Dear Dawley Family, please accept my deepest condolences in your loss of Mr. Dawley. I just wanted to share a comforting thought by way of a Scripture from God's word; Job 14 :14-15 where the man Job had faith that he would live again. When Jesus was on earth, he demonstrated this by resurrecting Lazarus and others. The Apostles Paul and John were then inspired to write future promises at John 5:28-29, 1 Corinthians 15:26 and Revelation 21:4. I know these Scriptures will comfort you. Death and sickness were never part of God's original purpose. Through the Bible's message we have a wonderful hope for the future of seeing our ,loved ones again. Wishing you peace and comfort.

“ Losing a loved one can be very difficult. Death is our enemy but know that soon God has promised to swallow up death forever and a resurrection of our loved ones. Isaiah 25:8 and Acts 24:15
