“ Ronnie was such a good brother. I rember when I was little he would lay on his belly and let me sit on his back to watch Chiller theater so I wouldn't be frightened. He took me rabbit hunting when I was around 6 woke me up really early he got his 22 we went out to the woods sit down by a tree and fell asleep. No rabbits that day. Lol. He always made sure to call me on Holidays I would answer the phone and he would yell "How ya doing Helly Dawn" he liked to call me Helly I'll miss that. Rest in peace brother I will miss you for the rest of my life. You sister Kelly
