“ My thoughts are with Gayle, Rhonda, and Gary today. Such wonderful fellowship with Roy and Kathy in Tampa as they opened their home for meetings for many years. Kathy so creative and Roy quietly in the background always being so supportive to everyone.

“ Mr. Roy was always so kind and friendly during every encounter I had with him whether it was in the office, at an Eagle ceremony or a family event at Rhonda and Randys home. He made me feel like I was truly a member of the extended family. I am a better person for having been in his circle. Blessings for the entire family. AnnaMarie Holdforth
