Dutch and Mary also gave Corky three sisters. His early years were spent in Detroit while his father worked in the factories. When Corky was 9 years old the family returned to the Mancolena area and settled in on a dairy farm in Kewadin. Growing up on the farm and as a teenager his love for motorcycles began and lasted through all his years. From there he went to work for Becks Mustard, makers of gourmet mustards. In 1982 Corky married RuthAnn K. Forslund from Kalamazoo, MI. Corky introduced his love of motorcycling to his new bride. Through the years they traveled extensively cross country on their BMW motorcycles. They shared many "miles and smiles" during their life together. Corky retired in 2002 and it was then that Corky and RuthAnn moved to Ocala, FL. After retiring in beautiful Ocala, FL their love for motorcycling increased and they joined the "Fraternal Order of the Eagles" in Silver Springs, FL.
