“ I can't find the words to express the unconditional love I feel for Ruben. He is and will always be my baby brother. We grew up together, stuck together through thick and thin. I remember all the weekends at home, fun times in the summer, going to his high school graduation and taking him to the prom, taking him to where ever he wanted to go (spoiling him rotten :). My sister - Janji, Ruben and I, along with our childhood friends, would make up any excuse to go out even if we were broke. We did anything to have a good time, crack up until it hurt and start all over again the following weekend. He was so caring, we kept in touch despite the distance and he ALWAYS, ALWAYS would finish the call saying I LOVE YOU. He was full of life, always had a story to tell and jokes to make, a unique human being so dear to my heart. Still can't believe this is real. Can't wait to see you again in heaven and say I LOVE YOU forever and ever. Titi, Mary and Kaily - I love you guys so much. For as long as I live, you have my unconditional support and love. Thank you for being a part of my life. Rubencito....te amare por siempre y vivo esperanzada de verte algún día...gracias por cuidarme, por tu amor y apoyo incondicional y por ser parte de mi vida. Siempre tendrás un lugar especial en mi corazón que no ocupara nadie.....tu hermanita Lisa.

“ *Rubencito was more than a cousin to me, He was my brother and I loved Him with all my heart, we grew up together and I share many, many wonderful memories with Him, my kids LOVED their Uncle Ruben as they called Him, he always made us laugh and we knew if we ever needed Him, he had our back, we were there for Him as well. He was a practical joker and he brought us a lot of joy, we always looked forward to Him calling us to pick Him up at Walmart by His truck, He'd stay a few days with us and we always had a lot of fun, every night He'd say: "Jangie let's watch a movie and 10 minutes into the movie He'd fall asleep, lol." He LOVED His Wife, and Kaily was His pride and joy, He talked about them all the time and said He loved to spoil them ❤️ He loved His Mom Titi Migdalia so much, called her everyday ❤️ He loved the family in general and liked spending time with everyone. I loved Him so much, I know that He was at His happiest, He loved His job and being able to provide and shower His family with love. Papito as I called Him will always live in my heart and the beautiful memories that I have of Him I will cherish until I see Him again in Heaven. Rest In Peace my brother, you will NEVER be forgotten ❤️ I promise to make it a point to be a part of Kaylie and Marie's life as I know that's what Ruben wanted, I am here for you always ❤️*
