“ *Words can not express our love for Aunt Ruby. My children when they were small couldn't wait until that air stream was parked in the backyard. I will always remember her dancing at Matthews wedding. She had her little pocket book on her arm and her and Aunt Grace was boogieing down , She was always willing to tell a funny story for my children about cutting her hearing aids off when Paula and Steven was being extra loud when they were little . Thank you Steven ,Paula and Uncle John for sharing her with us. I know that she is re joying in heaven and maybe painting a beautiful scene. We love Kim , Beaver and Family.*
