“ I know I am late to the page. I miss you dad. Wild to me how many years have past by. I miss you continuously and have not a lot of words to put into perspective of all this. It Shocks me over and over again to realize that you are gone. I know one day we will meet again but it's not going to be any easier. I love you man and hope you are at peace with all the wonderful things you did in this World. LOVE YOU ALWAYS.

“ Dear Macy family,I am very sorry for your loss. The Bible can give us much comfort during difficult times like these. In Psalms 34:18 it says "Jehovah is close to the broken-hearted and those who are crushed in spirit he saves."

“ Russell i Loved you the minute i laid eyes on you. So many years you were a huge part of my life. You made me angry and made me laugh all at the same time. I know you're with Les and i'm jealous about that. I'm sad that our time together on earth is done but one thing i do know is i will see you again. I know you're in great hands up there. Don't worry because we will all be behind you sooner or later. Hopefully later. I wish that you were truthful when i asked questions. Maybe it would have helped and maybe not. We will never know now. One thing i do know is i will miss you forever. Love always, Aunt Bonnie
