*I know you don't me but ryan got me pregnant in March of 2021. I gave birth to his son in december of 2021. I don't want nothing from you but an opportunity for you to meet your grandson and i will pay for dna test to prove Ryan is the father of my son exander via a living relative on his side of the family . I want you and exander to have a chance to know each other. I begged Ryan to tell you guys about the baby and me and he said no. May 3rd 2021 is the last time Ryan spoke to me. If you are interested in the dna test please contact me via email Hufflepuff1993tinkerbelle@gmail.com cell phone number 727-207-1406. I didn't know I was having a boy till July 4th 2021 when we did the gender reveal I tried calling him then but he had my number blocked. Exander was born 12-02-2021. My heart breaks my son never got to meet his father but maybe something good can come from his death and you guys can finally meet and get to know your grandson. I will gladly send you pics of my son .*

“ No words of sympathy can ease the loss of a child. Our time with Ryan was so short lived but we have many happy memories on the cruise we took & the vacations in the mountains. A life never ends but goes on in the heart of those who remember. Rest in peace, with love, Grandma & Grandpa Mazzone
