“ I was 17 years old when I lost my mom, since then, I felt like I didn't get to enjoy my mom as a adult, but then I met Sandra Carrouth, Sandra treated me as a son, she treated me like my mom would have. for 15 years I finally had someone tell me that everything is going to okay. She would always inspire me to do work around the house, she would talk to me when there was a problem the the kids, she would always find a solution. On behalf of Lukas, Alice, Blayq, and my self, Carlos Baez, we will forever miss you, Rest in Peace, Sandra Carrouth.
