“ I was sadden to have been informed by a mutual friend that Sandy had recently passed away in Florida. I will always remember her kindness on my quiet adventures walking in Lambertville Flea Market in NJ. Her laughter and smiles including her class of manners touched my heart. She was always so polite when communicating with me. My sincere condolences to her family. HIRH Princess R. Federico

“ Dear Sandy you were too young and spirited to leave us at this time. I always thought I would see you again at the flea market but it was not to be. I will remember you in the good times at Lambertville. Jimbo will miss Bimbo.
