

Sandy Lynn Mitchell

January 1, 1964 - March 13, 2025

Sandy Lynn Mitchell, 61, of Ocala, Florida, passed away on February 20, 2025. She was born on January 1, 1964 in Covina, California.

She is survived by her husband, Matthew Mitchell.

"Growing up on Lyman Ave in Charter Oak, California, was an adventure- our own little world filled with laughter, friendship, and memories. Sandy was one of the youngest in our tight-knit community, and we lost her to the cruel battle of cancer. She fought with unwavering strength, grace and that signature sass that made her so special. Through it all, she remained "strong like the bull", never letting the disease dim her light. I take comfort in knowing that as she took her last breath, she was wrapped in the love of her life, Matthew. Their bond was something rare, true, deep, and filled with the kind of love we all hope to find. My heart aches knowing I won't hear her voice or share another long phone call filled with laughter. But I know this isn't goodbye, just "until we meet again". I love you with all my heart, my Sister from another Mother."
