

Sharon K Cooper

July 16, 1941 - March 16, 2018

Dr. Sharon Powell Cooper was awarded the wings of an angel and exchanged her earthly home for a heavenly home on March 16, 2018, with family at her side.

She was born July 16, 1941 in Marion, OH to Gladys John Powell, but called Daytona Beach home, having been moved there in 1952. Her parents preceded her in death.

After graduation from Seabreeze High School in Daytona Beach (class of 59), Sharon received Bachelor and Master degrees in Home Economics and Administration at Florida State University. She followed this up with her PhD in Education from the University of Tennessee.

A highly committed and dedicated educator, Sharon taught at the Elementary, Middle, and High school levels in Florida Public Schools early in her career. Following a period as a Professor at Colorado State University, she transitioned in College administration at Florida Community College at Jacksonville (now Florida State College at Jacksonville), and finally as Vice President for Instruction at Central Florida Community College (now College of Central Florida) before retiring in 2008.

Retirement found her busy at her church, St. John Lutheran, and deeply

involved with the Ocala Royal Dames for Cancer Research, helping to raise money to aid in cancer research. Beyond her activities in Ocala, Sharon and her husband enjoyed traveling to the far reaches of the world with her family. She thoroughly enjoyed exploring new cultures, meeting new people, and always trying new things.

Sharon is survived by her loving husband of 53 years, Larry, sister, Barbara Cameron (Joe), daughter Khristina Dean (Mike), step-son John Cooper (Debbie), step-daughters Jeannice Braun(Fred), Lisa Coffey (Michael), 7 Grandchildren, and 4 Great-Grandchildren along with a legion of close friends.

She was a vibrant wife, mother, Nana, and friend who will be greatly missed by all who had the good fortune of knowing her.

A Memorial Service for Sharon will be held at 2 PM Saturday, March 24th, at St. John Lutheran Church in Ocala. The family requests, in lieu of flowers, that donations be made in Sharons name to the Ocala Royal Dames Cancer Research, (PO Box 6163 Ocala, FL 34478).

“ *Very sorry to read the news - my deepest condolences to Larry and the Cooper family. I have met Sharon in 1997 when I was a foreign exchange student in Jacksonville. Always keen to interact with people from all over the world, Sharon was heading FCCJ's foreign exchange student program, and Larry and Sharon also gave me a home and became a wonderful host family. Due to their upcoming move to Ocala, I could only stay with them for two months, but we have remained close friends and I went to see them in Ocala whenever I came back to the US. We made plans that one day Sharon and Larry would come to my country and let me show them how I live, and we had almost made it in 2014, but then had to cancel last minute due to a medical emergency. I remember many fun and interesting conversations with Sharon, her deep interest in other cultures and her ability to get people together. I will definitely miss her and keep her in my memories.*

“*My sister, Sharon was always an inspiration for me. Her kindness, generosity, humor, but most of all she was always looking for the light and towards the light, no matter what she is facing. Her love of God, family and friends always made me want to be just like her. If you knew her, you know she was the BEST! All of her faith in what was to come has now become knowledge. I am imagining the glorious things she is getting to experience today. I will miss her.*
