“ *Sharon was one of the most welcoming and openly friendly persons I have ever met. She had a knack of making you feel at once accepted. She loved music and loved to dance. We who knew her here at Spruce creek preserve will do well to remember her with love. Nancy and Bill Nall*

“ Leo, don't know how to express our sadness about Sharon's passing. I always thought I would see her again somewhere. We had so much fun through h s. Jack and I loved the times we shared together with both of you. So many laughs. Sharon and I had this big discussion on how to pronounce chic. I was wrong and she was right. We laughed like crazy..On your wedding eve, Sharon's parents let the 2 of us sleep in their bed and we stayed up really late singing all our old favorite songs from H S like "Where the boys are", Will you Still love me tomorrow, In the still of the Night. I have always remembered that night. We broke your Onion pattern creamer way back when Leo was a baby and she was so forgiving even though I knew how much she loved it. So many memories. We grew apart over the years,but the memories remain. Our friendship was full of trust, love and laughs. Where did the years go?. I guess I will always think of Sharon and you when I remember our H S yrs. we had fun. Much love and our sincerest sympathy to you and Sharon's family. I am so sad. Much love, Mary and Jack

“ Dear Laura I've thought about you so often through the years and was so sad to hear of your mom's passing today. My mom called me at work to tell me. We have so many fond memories of your mom. I still remember her telling me two jokes when I was about 6 years old. One was "Hi - may names Chubba" and the other one was "The Wide Mouthed Frog". I've told them so many times over the years and also to my son who is almost three now. My mom and I want to send love and prayers your way (she's no good on the computer). Thinking of your brother and dad during this hard time too. Love, Jill (McClellan) Marshall
