“ It was July of 2014 when Cynthia and I met our new next door neighbor outside beside the house filling in a hole from a pesky gopher. He looked up and had a radiant smile, the kind that you feel in your heart that is coming from a fine man. We then had the privilege of meeting Joyce, his best friend, partner and wife. Cynthia and I felt so blessed that we were moving next door to such wonderful people and they immediately became precious to us...Though it was for such a short time, we adored this man who was always caring for someone and who adored his partner Joyce. He was always trying to help someone with his amazing Ebay abilities to raise some needed income. He was an living example of what being an "elect of God", of the "lineage of David" is all about. He lived his faith by his good works inspired by our Lord and had no "trumpet" to announce his daily lived compassion for humanity. Yes, we will always treasure the small moments we shared with Sheldon, our next door neighbor, friend and brother. May our Abba Father comfort him in His Bosom and we know that we will meet again in the Kingdom. Joyce, we remain here next door, to be your neighbor and hope that you will be able to remain with us here. You've been such a joy in all my family's lives. May the "...Peace of God which passeth all understanding..." be with you, Shayne, Mechelle, Sandor and Sheldon's three sisters. Father, thank You for sharing this precious man with us! In His Love, Michael & Cynthia Rogers
