“ We are so sorry to hear of Sherman's passing. Sherman and I were friends for over 55 years. We lost contact after graduating from Fitch Sr. High, class of '62. About 45 years went by and then I found out he was working for Pratt and Whitney in West Palm Beach, while I worked for P&W in CT. Needless to say, we re-kindled our friendship again! My wife and I were planning to visit Bud and Pat next month at their West Ocala "Dream-home". David and Carol Stupplebeen
