“ Was just telling the kids about the time that you told me there was a big green boogie man in the closet in the house in plympton, I went into the other room and talked to the other kids and decided there was no such thing as a big green boogie man, got up enough nerve to go in there (it was long and dark), all the way in the back of the closet, there you were covered in a green blanket. Scared the hell out of me, you laughed for hours.All because thats where you hid your cigaretts and playboy magazines. I miss you big brudder.
