“ *I was so shocked and saddened to hear of Sherry's passing. Both she and Chrissy babysat my girls and my girls loved them. I was their 9th grade English teacher at Elkton High. Sherry and I stayed in touch through facebook and I could tell how much she adored her daughter. My heart goes out to the Papaneri family as you deal with this difficult loss. Both girls will always have a very special place in my heart.*

“ I am SO sorry for your loss. Sherry was a beautiful person, and I picture her from elementary school onward with a big smile on her face. I picture Sherry and Chrissy smiling together and Mr. and Mrs. Papaneri being proud supporters of their daughters at school functions. You are such a good family, and this does not seem fair. My heart breaks for Ashleigh. It was obvious that she was Sherry's life. I am so, so sorry. God bless all of you.

“ Sherry, I will never forget how you used to rock Kaylee everyday after your grandmother passed away. Gosh she loved falling asleep in your arms. Although it's been forever since we have spoken, it breaks my heart that your family has to endure such a tragedy. You were always able to make me laugh with your candidness and witt. You never held back, even at times when you were upset with me. LOL. I can appreciate that though. Sherry, I hope you are at peace now and that you, your sister and Mabel are watching over your family, as I know you will. All my love and prayers to your mom, dad, Dawn and Frankie. I pray that they will all find some comfort in knowing you are both in heaven and that your grandmother has two of her favorite girls with her now. Lydia

“ Even though we were not close in miles we were close in spirit. We talked, many times and I realized just how much love you had in your heart. We will miss you sending pictures of your beautiful daughter, and hearing from you. When we talked I could feel your love for your family and especially your little girl. Just know aunt Mary and uncle Bill loved you when you were here and we will love you forever and never forget you.

“ I can't believe this happened to our family. I don't understand why. Every time I get a text I think it's you asking how my day was or telling me about Ashleigh's day. Our family will never be the same again without you or Chrissy. I'm grateful for all the time we got to spend together and for every time you made me laugh. You could always make me laugh even when I had a bad day. I will always love you forever and ever (more)! You will always be my best friend! P.S. I will always make sure Ashleigh is taken care of. I promise. She loves and misses her mommy very much!

“ Sherry you always said what was on your mind but you had the kindest heart in the world and always cared about your family and when I was sick you always kept in touch to make sure I was ok. I enjoyed all of our conversations and my heart is broken that god took you so young. I love you to the moon and back again

“ Sherry, Remember your Michael Jackson jacket? Whenever I think of you I remember how happy that jacket made you. Thank you for all the love you've shared with everyone over the years. Always quick with a kind word, support and a good laugh. Life is cruel and fickle, and I'll never forgive it for taking you and Chrissy far too soon. Renee
