The President of the Ocala National Bank, who parked his car at the dealership every day, asked Sid if he'd like to work at the Bank. As a result, Sid started his legacy with the banking system as a teller. During an air attack, he suffered leg and neck injuries from shrapnel and was later awarded the Purple Heart. Over the years, Sid joined many community service organizations. His membership in the CFCC Foundation Legacy Society, of which he is a lifetime member, was dearest to his heart. In addition, he was a life-time member of the Veterans of Foreign Wars and a member of the 99th Infantry Division Association. As the oldest continuing member of the Ocala Lions Club (67 years), Sid served many roles, including president. For 60 years, Sid was a member of the American Legion, a life-time Emeritus donor to the Marion County Blood Bank, and a member of the Ocala Golf Association and Elks Club. An avid golfer, Sid served many terms as Director, President, and Chairman of the

Operations Committee, of Golden Hills Turf and Country Club. Sid also served as Director of the Ocala/Marion County Chamber of Commerce, was a member of the City of Ocala Adjustment Board and the Ocala Planning and Zoning Commission. “ *I am very sorry to learn of the passing of Mr. Dosh. He hired me while I was in high school to work part-time at the bank. That started my 40 year career as a banker. His contribution as a banker and his community service will be missed. Rod Canon*

“ *My sincere condolences to the Dosh Family. Mr. Dosh hired me to work for Commercial Bank and Trust Company on March 3, 1966. I loved and admired this man for many years. I have great memories of our long working relationship. The one memory is there was never a harsh word spoken to me during those many years. That alone speaks volumes for the character of this wonderful man. Rest In Peace, My Friend*

“ I can remember my dad taking me into CB & T when we first moved here in 1961. You walked my dad to your desk, spoke to him and then shook his hand and my dad walked out with a check to build our first house here. You even gave me a lollipop! May you RIP, Sir!
