

Sindy Lee Macklin

July 13, 1957 - December 26, 2025

Sindy Lee Macklin passed at the age of 68 in the company of her close family while in hospice care in Marion county, FL after a long illness and rapid decline in health.

She was born in Salt Lake City, Utah in 1957 where she was raised in the Catholic faith, married, and gave birth to her son and daughter. She passed through several towns between Utah and Colorado before settling in Grand Junction, Colorado. Later she moved with her daughter to Florida in search of warmer weather, where she eventually settled with her partner in her home in Citra, Florida with a view of her beloved ancient oak tree. She accumulated many friends and informally adopted family in her travels.

She had a passion for helping people. She attended classes to pursue a career in therapy before her health interrupted her progress. Despite her unfinished education, her friends and family always benefitted from her natural gift. She enjoyed road trips with her partner, dinners and games with her family, who she loved dearly.

She was preceded in death by her parents Lamar and Mary Macklin. She is survived by her partner Michael Anderton, her daughter Sabrina Tyrholm and son-in-law Jonathan, her grandson Zackary and soon-to-be granddaughter-in-law Alex, her granddaughter Nikki and grandson-in-law Vee, who were present in her final days. She was also survived by her son Michael Anderton II and daughter-in-law Libbey, her grandchildren Danny, Josh, Hanna, and Alex, and her beloved cat PJ and her other cats.

Service will be held at Robert's of Ocala on Saturday January 10th at 2:00,
with a visitation at 1:00pm.

“ *This showed who she was. Such a beautiful wonder woman. My hero for her strength in life being f-up and laughter through the pain. She helped all who came to her. She made every life she touched better. My mom may be gone but her big heart lives on in all she touched because she gave us hers. Till we meet again.*

“ *Friendship is not measured in years, but the depth of loyalty, in shared stories and silent understanding. Sindy was that kind of friend. Although we never met in person, her kindness, love of family and friends, and the laughter we shared, I will forever hold dear!*

“ *This was in Grand Junction, Utah. We learned one that it's not really easy to light a campfire with the lighter from the car.... This was one of many fun and crazy things she did with her nieces and nephews.*
