

Stacy Brigman

April 19, 1971 - February 27, 2019

It is with great sadness that we announce the death of Stacy Wanice Brigman. Stacy passed away without warning at home in Silver Springs, FL.

Stacy was born in Alma, GA on April 19, 1971 to Wanice Brigman and Judi Barber.

Stacy is survived by his father and step-mother Wanice and Rhonda Brigman, brother Steven (Laci) Brigman, sisters Jill Brigman and Tammy Moody, step brother Chaz (Paige) Giddens, four daughters Storm Brigman and Rain Brigman (Mother - Christa Shugrue) and Summer and Karizma Brigman (Mother - April Brigman) as well as many Aunts, Uncles, cousins, nephews and a niece. Stacy was preceded in death by his mother Judi Barber Gibson as well as his grandparents Dub and Cassie Brigman and Lottie and Tom Crapps.

In life, Stacy didnt always express to his loved ones how much they meant to him; how much he loved and appreciated them. But one thing that was evident always was the fierce love he had for his kids. When he could be, Stacy was a wonderful father. He laughed with them, consoled them, disciplined them and took care of them with a passion unlike any other. Stacy also had a soft spot for animals. It didnt matter what kind of animal from snakes and rats to dogs and cats - no matter how big or small, it was welcome

where Stacy was and that love of animals lives on in all four of his daughters.

Though his death was much unexpected and this is an incredibly sad time for those who loved Stacy, he wouldn't want anyone to dwell in their sorrow. Instead, let's all remember the happiest of times we had with him and celebrate his life.

The day you left us was heartbreak and sorrow.

The day you left us we saw no tomorrow.

The day you left us we didn't understand.

The day you left us God had you by the hand.

The day you left us your family came together.

The day you left us we remember you forever.

A celebration of Stacy's life will be held on March 23, 2019, at 11:00 a.m., at Ocean Grove Clubhouse 1 Arbor Club Dr., Ponte Vedra, FL.

For anyone who cannot drop by, please share your favorite photo or memory with Jill Brigman via text, email or facebook messenger.

“ Stacy, I have so many memories of you, mostly when you were a baby and toddler. You were the cutest with that blonde hair. It was hard for me to get a chance to hold you when you were born, because your Moma and Daddy, Cassy and Dub, Granny Lolla and Tom were all over you. Sweetheart, I so wish you were still with your beautiful daughters, sisters and family. Fly high baby, and sprinkle angel dust on us once in a while. Love you
