“ Aunt Rita and Lisa I love you so very much I have always admired you both for lots of things one of those being your strength and ability to move forward no matter what life brings with ease. At this most difficult time may God grant you peace, hope and comfort and know that you are surrounded by his love and that of your entire family. Thank you for always being there for me and know that I am now and always here for you both and so fortunate to have you as my family. I am sure that God, Uncle Stan, Mom, Grandma, Grandpa, Uncle Tom are all now together looking down from heaven at us and we will be blessed to have them as our guardian angels. I love you
