“ *Stanley's Family: I have known Stanley for more than 20 years working together at Rochester Corp. Good memories, Bad memories - but mostly all enjoyable. Stanley was always a happy fellow with a temper to match. Great salesman for us - his customers always enjoyed their visits with Stanley. Over the years, we had many conversations about his family and my family. He was a loving husband, father, grand-father and friend to us all. I know Judi, his beloved wife who he loved very deeply (that's what he said), will miss him the most. My condolences to the family, he'll be missed by all of us. I am sure he is looking down at us and wondering where's the party! Let's go Golfing! God Bless Us All & Keep Us Safe! I Miss You Stanley! Linda Hunter*
