“ Dear Gregely family, I am very sorry about your loss of Mr. Gregely. My prayer is that you will be comforted by the many verses in the Holy Scriptures, such as; Revelation 21:4 where we are promised that all sorrow, pain and even death will soon be no more. This is comforting right now because this verse is referring to conditions that you're experiencing right now. Our loving Creator, by means of his Kingdom, will soon remove all suffering as seen in Isaiah 33:24; 25:8. When on earth, Jesus showed what he will soon do as king of God's kingdom when he healed the sick and raised the dead. Then he promised at John 5:28-29 a resurrection of our loved ones (also Job 14:14-15; Acts 24:15). May these verses comfort you in this difficult time. Sincerely Mrs. C. Santana.

“ Hi Poppa,
Not sure if you can read this or maybe your watching over my shoulder as I type. I don't know. One thing I do know is that my life has changed forever without you here with us. You are a true hero to me. You tried your best and you fought till the end but the cancer won. I'm so very sorry you had to endure any pain, I know the last few weeks were about unbearable for you but you stuck it out. I'm comforted knowing I was able to thank you for everything you did for us. I'll miss you always but know your in my heart!! xoxoxoxo
