“ Miss Mary and family. I know the last few months have been rough. Although you will miss him greatly; know that he is in a better place and he is no longer in any pain. He will watch over you. May God give you peace and strength during this time of grief. Love you very much. I am here for you and all you have to do is call. I will be there for you.

“ *I cannot begin to express the sadness I feel to know that you are no longer with us. I hope that you are looking down on us all and laughing your butt off. You will be missed and thought of often. Sleep well in God's embrace.*
