“ To my dearest brother, I have a couple memories that I'd like to remind you of, when we got into a fight when I was younger you threw me across the kitchen and I still have the scar to prove it.. And then when we were going around the corner at 80 miles an hour The door opened your grabbed me just in time... it's amazing to me that every time we talked you would ask me how I was doing.. when you were in so much pain. You are now in the arms of our Heavenly Father.. 🙏 And I'm positive that you're a new Men ..Steven I miss our calls already.. We'll always be twins, And our birthday will never be the Same!! don't forget the promise that you made me... rest in peace my brother, until we meet again...I LOVE YOU MORE.. 🙏🙏🌸❤️

“ Our dear friend. Never to be replaced by anyone. Your strength was unbelievable. Pain that never gave you a break. Im going to miss our phone calls. Our arguments. Always to say " I love you " before hanging up or leaving. Your friendship meant the world to us. Your wife Fran stood by your side. every day. At every turn. Her devotion to you was a testament of her love for you. I will miss you so very much. Our phone calls . I will miss very much . I met Fran many years before you. She came to life when she met you. She always had your back. And you had hers. You built a beautiful home for the two of you. Your animals. The talent you had to build with your hands . Amazing. You touched so many lives . Always lending a hand to a neighbor. Taking in someone who needed a place to rest their head. You gave so much. Now its your turn to rest your head. May God take you in his loving arms and hold you so gently. I will miss you so very much. We loved you Steven. Always will.

“ My dear friend. Steven. How much you will be missed cannot be measured. You gave your heart to Fran . She loved you so very much. A beautiful home. Built with your own hands. Your talents at wood working and home improvement were in a class of their own. You gave so much of yourself to others without asking for anything in return. Our phone calls will be especially missed. Our arguments. Priceless. We never hung up without saying. " I Love You " ; Now you wont have to endure any more pain. May God hold you in his loving arms. Until we meet again. All my love Steven. . Your friends

“ The last time I saw Steven was in a video aunty Fran had been tagged in of him trying to help her clear her table at work. I think about that video often.. how she looked at him when she told him she loved him and how he was so willing to help her without question. Amazing these two. Didn't get to spend much time with him but I know how happy he made aunty franny so for that I love him very much. May his soul Rest In Peace and may god walk with his wife and children everyday until they can meet again.
