“ Steve, I am so sorry that you passed at such a young age but you did accomplish what you always wished for and that was a loving family with children and grandchild. Rest in peace.

“ The Security Department wanted to let you know that you have our greatest sympathy, and our hearts are truly saddened. Steve was more than just a wonderful person and dedicated employee, he was always so kind and considerate to everyone he encountered. And, we know that his passing will not only leave a void in our lives, but in the hearts of all those who knew him. Steve will always remain within our hearts, and we have included Steve and you in our daily prayers. May God give you strength. If there is anything that we can do to help you in anyway, please do not hesitate to call us at anytime. You can phone any of us at the Security office even if it is only to talk. Our sincere thoughts and prayers are with you. With our deepest sympathy,

“ I was shocked and saddened to hear of Steve's passing. I work the evening shift at ORMC and have enjoyed chatting with Steve over the years and appreciated the security he provided in making sure we got to our cars safely, etc. He spoke often of his family and it is clear he loved you all very much. He was a sweet, kind-hearted man... a friend to everyone he met. I will miss seeing him around here, but pray that he is in a much more wonderful place with no tears and no regrets. Praying for your family as well.
