

Steven Jay Clark

May 18, 1954 - March 26, 2022

Steven Jay Clark was born on May 18, 1954, in Oconomowoc, Wisconsin to Janice M. Clark and late Arthur Johnson. At the age of 12 he was adopted by late Roger R. Clark.

Steve was a member of the Cub Scouts where his love for fishing and camping began.

He graduated from Kettle Moraine High School (Wales, Wisconsin) in 1972. He loved drag racing, enjoyed taking things apart to see how they worked and fixing anything that was broken.

In Wisconsin Steve was employed by Clark Oil Refining Corp. servicing pipeline supply and he was a small business owner starting Cambar.

Steve chased after the love of his life, Tina, all the way to Florida in November 1976 marrying her not long after in May 28, 1977 in Oconomowoc, Wisconsin. They were blessed with two amazing boys.

He and his family moved to Florida in 1985. In Florida he was employed by an equipment rental company and later became a Children's pastor which was his favorite employment opportunity.

Steve enjoyed fishing through his life. He loved hunting, camping, and working in his shop. He was a perfectionist and always found joy in blessing others

with his creativity, ingenuity, carpentry, and mechanical engineering skills. He loved using his gift to engineer parts, fixing that which was broken to work better than before.

He enjoyed being a principal of a school allowing him the opportunity to teach and helped mold young minds into contributing adults.

Steve is survived by his wife Tina L. Clark, his sons, Jason and Steven Clark, his grandson, Karston Jay Clark, his mom, Janice M. Clark, sisters, Kristina Carmichael and Kelli Charles and brother, Michael Clark. He's also survived by many aunts, uncle, nieces, nephews, and cousins.

He is preceded in death by both of his fathers, Arthur Johnson and Roger R. Clark. His paternal grandparents, Emory and Helen Clark and his maternal grandparents, Harry and Norma Waters.

Steve was an educator at heart. He had a big heart with lots of love to give and always had time to answer questions or solve a problem, no matter how small. He was a born-again Christian and full of godly wisdom.

He was the anchor of our family and he will surely be missed.

“ *I fondly remember Steve from Kettle Moraine High School, he always had a big smile on his face and was kind and gentle. So sorry he won't be able to join us this year in person for his 50th Class reunion. Our time passes much too quickly here. Many condolences to his family and friends.*

Sincerely,

Debbie Bronk Thiel on behalf of the Class of 1972
