

Svetlana ROS Wintrow

December 31, 2008 - October 16, 2020

Svetlana ROS "Svet" Wintrow, 11, of Ocala, Florida, passed away on October 16, 2020 in Sumter County, Florida. Svetlana was born in Orlando, Florida to Craig and Jolitta Wintrow on December 31st, 2008. She went to elementary school at The Villages Elementary, in Lady Lake, Florida. This year Svet was a big 6th grader at Fort King Middle School. Svet had the biggest heart and voice of any 11 year old you have ever met. She befriended any and everyone no matter your age or who you were. Svet loved playing outside and having fun with her friends. Her parents would find her with a water gun in her hand, riding a scooter down the street, or flipping and doing cartwheels. If Svet wasn't outside playing with her friends, she would be at the computer playing Roblox or making Tik Tok videos. Svet always loved going to the beach to play in the waves, or when given chance she would jump at the opportunity to go horseback riding. Svet was such an artistic and animated little girl that it gave her a personality bigger than life. When your day was just going wrong, a hug and pure love from Svet would turn your day right around. The warmth and love she brought to her family and friends is going to be deeply missed. She is survived by her father Craig Wintrow, her mother Jolitta Wintrow, her sisters Megan and Shannon Wintrow, and every person that has ever had the privilege of meeting her.

To everyone that has donated to a charity in her name already, and everyone that has reached out to our family to offer their condolences and to show their love and support for the loss of our little girl, we offer our deepest

appreciation. Please honor Svetlana by spreading as much love and positivity around the world that you can, because it's what she did every waking moment of her life.

“ My son and I are deeply sorry for your loss. I am a teacher at Treadway. Her and my son were friends while she attended Treadway Elementary. She could light up a room just with her smile. When she would see me, she would always tell me to tell him hi. She will be greatly missed.
