“ There’s so much I love about this simple picture.

1. *Guitar Hero*, we used to love playing it, and we were very good. I know in this picture I was probably letting Tabitha have the guitar because we both liked the guitar better and had to come up with ways to figure out who got the guitar.

2. *The Twilight* poster in Tabitha’s room. She loves those books and movies! Very telling of the time!

3. The life size poster of that nascar racer. We thought that was so funny and we took it from Albertsons when my dad didn’t need it anymore. We used to make so many jokes pretend kissing him, posing with him, wrapping our arms around him.

So many good memories in one picture.

I love you Tab, and I’ll always miss you. I promise to keep our memories close, and share them with your kids always.
