“ My deepest sympathies to Tammys parents, siblings, family and friends! Remembering our beloved Tammy, she was smart, very witty, loving, caring, protective, hilariously funny, a born Comedian and Impersonator. She made us laugh so hart..What a gift that is...Her warm hugs were out of this world.I told her often, that I cant continue to work if I dont get a hug from her. She always had a smile on her face even if she didnt feel like it.Tammy has a special place in my heart.Ill cherish my wonderful memories.She brought so much love into my life.I am blessed and very thankful for the time we had.Thank you to her parents for raising such a wonderful person!Of course, Tammy became a Christmas Angel.MarinaLove forever!

“ Tammy was and will always be, one of my Very best friends and I love her very much. Its hard to imagine my world without her. My favorite thing about Tammy and what I admired most about her, was how she could, and would talk to anyone. How easy it was for her and how open and friendly she was. She made everyone feel immediately like a friend and that is an amazing quality. I will miss that and so many other things about Tammy her humor, wit, her den e of adventure, even her snarky side. ;) My heartfelt condolences and sympathy to everyone who loved her. Especially her family. I miss her.
