

## Tammy Jean Klingler

August 2, 1958 - November 13, 2021

Tammy Jean (Vyvey) Klingler passed away peacefully on November 13, 2021 in Ocala, FL. Tammy was born and preceded in death to Rene and Betty Vyvey on August 2, 1958. Tammy grew up in Saratoga, WY where she sang, played the piano & sports, rodeoed and of course rode her beloved horses.

She is survived by her two siblings Dixie (Harold) Minear and Ray Vyvey, her five children Brett (Shelley) Klingler, Johanna Klingler, Renee (Joshua) Boyer, Jessica (KC) Leitner and Erika Klingler, several grandchildren, fiancé Chuck Davidson and stepson Hayden (Haley) Davidson.

Even with five children to raise, Tammy had many kids she considered her children as she was known as everyone's mom. She made many life long friends across the country including Wyoming, Woodbine, GA and Okeechobee, FL. She also loved to experience different cultures and fortunately got to travel all over the world. Tammy's pride and joy were her horses and she was known everywhere as the horse whisperer and the top riding coach around. She raised countless horses and created a strong barrel-racing blood line that was known throughout the equine community.

There will be two Memorial services for Tammy, one in Okeechobee, FL on January 22, 2022 and another in Saratoga, WY Memorial Weekend 2022 where we will put on Tammy's infamous annual Mud Rally at the Whistle Pig Saloon in her memory (Voluntolds expected with love). More details will come to follow.
