“ Oh, Mrs. Tull, Karen, Susan and Ashley. How terribly sad I was when I learned of Terri's untimely passing. I will always remember her being the life of the party back in the day! Terri is in the forefront of so many of my treasured memories, I even have a picture of us trying to remember the sign language for "Day By Day" at one of our reunions. I hope that as the days and years pass, the good memories and love you all shared will ease your pain. Love, Sue
